Objective: To facilitate quality higher education to students with disabilities on equal basis with others.

Facilities:

- (1) Database: Centre shall maintain data regarding disabilities of the students.
- (2) Advisory service: Considering the requirements of students, centre can suggest use of institute facilities, so as to provide accessibility. centre can keep all concerned informed about the issues to make them understand difficulties that need to be addressed well in time to avoid crisis situations.
- (3) Training: Conduct workshops for instructors and student mentors (academic assistants) to create awareness about various disabilities and ways to handle the same.
- (4) Documentation: create documents to make the students aware of facilities available for such students.
