Why CE/IT?

- Computing is the main driving force behind recent progress in science, health care, engineering, business, agriculture, and almost every other industry.
- Computer engineering and Information Technology involves the study of hardware, software, communications, and the interaction among them.
- As a graduate of the college's computer engineering/ Information

C. U. Shah University
Faculty of Technology & Engineering
C. U. Shah College of Engineering & Technology
Accredited by NAAC with B Grade

About Department

The Department of Computer Engineering (CE) and Information Technology (IT) at the C. U. Shah College of Engineering and Technology (CCET), C. U. Shah University, Wadhwan City aims to be a leader in computing research and state-of-the-art pedagogy. With "global excellence and local relevance" as its driving philosophy, the department has resolved to contribute to the advancement of Information Technology in India. The CE department at CCET offers B.Tech and M.Tech programs while the IT department offers B.Tech. program. The departments at CCET comprises twenty two young faculty members, who are actively engaged in research areas including theoretical computer science, algorithms, graph theory, networking, distributed systems, compilers, and image/video processing.

Salient Feature

- ICT enabled Class Rooms.
- 22 State of Art Computer Laboratories.
- Free Internet facility for students through LAN as well as Wi-fi.
- Highly qualified and experienced staff.
- Proper student counselling for the difficulties of the students.
- Parents meeting at regular intervals.
- The departments are regularly arranging various technical and non technical events to sharpen students' abilities.
- Industrial visits are arranged at regular intervals to make aware students with the current trends in technologies.
- The departments also have a department library to encourage students' learning.
- The department constantly trying to get more and more student placement in most promising companies such as TCS, Infosys, Wipro, EliteCore, etc.
- The department also running ISTE student chapter.
- The department is accredited by IE (Institute of Engineers).

Achievements

- The departments organized various technical and non technical events like Innovation 2001 to Innovation 2007, Nexxus 2008 to Nexxus 2012, Fun Fiesta, Frolicz 2K14, Advita-2K15 etc.
- The departments organized various workshops for students which include Workshop on Ethical Hacking, Workshop on Hibernate, Workshop on PhoneGap, etc.
- The departments organized various expert talks which includes a talk on Resume Building, Entrepreneurship Development, Android, Career Guidance, Cybercrime Investigation etc.
- The departments organized various workshops for faculties as a part of Faculty Development Activity like Workshop on Computer Programming, Workshop on Computer Networking, Workshop on Cyber Security, Workshop on Open Source Technology, and Workshop on Web Development Technologies etc.
- Departments had been running Educational Programs Like C2C (carrier to College Program).
- Departments also running Remote Centre and Akash Project centre of IIT Bombay.

"The computer was born to solve problems that did not exist before."

— Bill Gates
